THE PRESIDENT'S PRIVATE SECTOR SURVEY ON COST CONTROL

August 10, 1983

Mr. Harry Fitzwater
Deputy Director of Administration
Central Intelligence Agency
Washington, DC 20505

DATA REGISTRY
FILE: 100-5-

Dear Mr. Fitzwater:

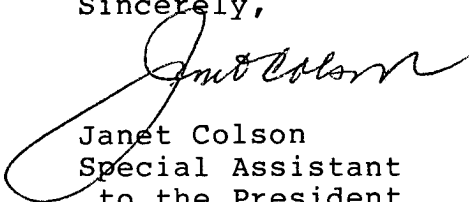

Following up on a recent conversation with [redacted] of STAT
your office, I am enclosing a master list of all PPSSCC recom-
mendations identified to date on a Task Force-by-Task Force
basis.

I think you will find the enclosed document useful in ex-
trapolating those issues and recommendations which might have
applicability to the Central Intelligence Agency. They have been
grouped in the order in which they were released (usually six at
a time), and there is no significance to the grouping other than
those which were ready at the appropriate point and time.

Although we deliberately did not look at the Central Intel-
ligence Agency as an area of focus, those of us associated with
PPSSCC are delighted to learn of your interest in our efforts.
If I may help you with any additional materials or be of any
additional assistance, please don't hesitate to contact me.
Should it prove necessary, I would be delighted to assist you in
whatever way I can and, in that regard, might mention that I
continue to hold all of the security clearances I had when I was
on the National Security Council Staff.

Thank you, again, for your interest in our efforts.

Sincerely,

Janet Colson
Special Assistant
to the President
Deputy Director
